HELP US SPREAD THE LOVE!

**HOST A GIFT DONATION DRIVE AT YOUR HOME, SCHOOL,
UNIVERSITY OR PLACE OF WORK**

CHECK OUT HOW YOU CAN HELP US?

At **THE LEWIS FOUNDATION** we source, package and hand deliver free gifts and support packs to adult cancer patients in hospital every week – items they might find difficult to buy themselves or simply cannot afford. It can be a sad, frightening and lonely experience for individuals undergoing cancer treatment, and for many people in hospital, our volunteers are their only regular visitors.

THE LEWIS FOUNDATION exists to help support adult cancer patients going through treatment in hospital and the community. The Lewis Foundation exists because people of all ages and all backgrounds in our community fundraise, give time and donations to help support our mission to make a difference.

Hosting a donation drive enables students, teachers, friends, family, colleagues and members of the public to donate items we need for our gift packs to help support adults going through cancer treatment. It is really simple to get this up and running!

HOW DO I GET A GIFT DONATION DRIVE UP & RUNNING?

1. Set a time period that you would like the gift donation drive to last for. We would suggest a minimum of a month to enable you to promote what you are doing and gather donations.

2. Contact us: hello@thelewisfoundation.co.uk to let us know you will be hosting a gift donation drive. We can send you across via email our posters and logo for you to use. If you would like items such as printed posters, leaflets, collection tubs and balloons, please let us know via email and we can arrange to get this sent out to you.

3. If taking place outside your home, create your space for your gift donation drive. This way people can easily spot where to donate the item/s and you can also decorate the area with information about us.

4. Time to tell people! Tell your friends, friends, colleagues, fellow students and your community that you are hosting a gift donation drive.

5. We love to see you in action! Tag us in your pictures (if you feel comfortable) and we can share your support and inspire others to get involved.
